A letter from Executive Director Tim Mayworm

Despite two and a half years of COVID-19 uncertainty, anxiety, isolation and infrequent personal contacts, we finally were able to honor three years of graduates in June with a Gala Dinner. 40 students graduated with a diploma (AA, BA, MA, PhD) or a trade certification from the college or university of their choosing. Attending a college remotely, meeting all academic requirements, and graduating during the pandemic is a quite accomplishment, which highlights their determination and resilience. More than 100 guests came to share in the celebration and hear each graduate speak about their lives and educational journey. Their speeches were heartfelt, emotional, joyous, and full of gratitude for the support they received in order to accomplish such a significant goal.

A big thank you to the organizing committee (Diane Sexton, Karen Bagnard, Elizabeth Butterfield, Donna Hummer, Linda White, and Journey House staff), Loretta Vigil for supplying a delicious catered dinner, the Silent Auction donors and our many benefactors who donated to support of the graduates and the ceremonial dinner. Each graduate received a gift bag (wireless headphones and a \$75 gift card) from the Prestige Company and a \$500 check from The Change Reaction in Sherman Oaks.

I'm extremely grateful to all who added to the evening's wonderful success, and for supporting former foster youth as they continue to pursue a better life and a professional career. The amazing students who benefited from your very kind and generous contributions are pictured inside.
